

Catreeya's Big Event

Feb 3, 2011

Catreeya decides
to have a big event today.

Here she is
with her new beef tendon.

She thinks of it as her "cowbone".

She's decided
her **BIG EVENT**
will be to bury it
in a secret place.

**This is Catreeya
burying her cowbone.**

**Notice the secret place
she's chosen...**

Here she is
REALLY GETTING INTO
burying her cowbone
in her secret place.

No one will ever find it here...

And here she is
pretty much done
burying it.

(yes, there is a dog
in there somewhere)

Could this be
the joyful look
of a dog
who's hidden
her cowbone
and thinks no one
knows where it is?

Yup,
it's been a good day
for this little doggie -
complete with a BIG EVENT...

Why don't we
end it with a
smile?
